SIT723 Research Project A

Pass Task 1.2: Project Requirements

Overview of the task

In this task, you will complete all the requirements for starting the project. First, you will attach (i) the certificate of completion of your research integrity training, (ii) Deakin ethics quiz attempt evidence; and (iii) evidence of the Overleaf repository setup.

For registering to the unit, access [self-registration site](#) and register for the unit. Complete research integrity training, go through human ethics material and attempt human ethics quiz. Attach evidence in this task.

Submission Details

Submit the following to OnTrack: - Research integrity completion certificate - Ethics Quiz results - Overleaf repository setup link and screenshot.
